

Dear Families,

With safety in mind, D171 does not allow class treats/sharing food with peers. This an effort to ensure students with food allergies are in a safe environment.

If you would like to send something for your child's birthday celebration, please do not send students with edible class treats, but rather a class set of small favors such as pencils, erasers, stickers, etc.

Occasionally, I like to reward students with small treats. These treats will be including, but not limited to, the following

- Donuts/munchkins (store bought, Dunkin Donuts, etc.)
- Fruit (such as oranges or bananas)
- Candy (Jolly Ranchers, suckers, Skittles, M&Ms, etc.)
 - I will not pass out chocolate with nuts, as it is a very common allergy
- Popcorn
- Popsicles
- Ice cream
- Marshmallows
- Rice Krispy Treats (homemade/store bought)
- Cookies (homework/store bought)

Please select one of the options below and return this form to me as soon as possible. If I don't receive this from you by September 5, 2017 I will assume your student cannot have any treats from me this school year.

OPTION 1: I, _____ (please print your name), give my student, _____ (please print your child's name), permission to have class treats Miss Hanft may bring in throughout the year. I understand the treat may not be specifically listed above, but I am comfortable with my student receiving edible treats.

If your student has any specific allergies for the items listed above, please write them here:

OPTION 2: I, _____ (please print your name), DO NOT give my student, _____ (please print your child's name), permission to have class treats Miss Hanft may bring in throughout the year.

DATE: _____
